## RESULT OF ANALYSIS FOR 11<sup>TH</sup> UILI-ILP

| Target Compounds       | Pre-treatment No. |       | Measurement by Instrument No. |       | Result of Analysis |
|------------------------|-------------------|-------|-------------------------------|-------|--------------------|
|                        | No.               | notes | No.                           | notes | Sample 1           |
| Fat (% m/m)            |                   |       |                               |       |                    |
| Dry Matter (% m/m)     |                   |       |                               |       |                    |
| Protein (% m/m)        |                   |       |                               |       |                    |
| Lactose (% m/m)        |                   |       |                               |       |                    |
| Urea (mg/L)            |                   |       |                               |       |                    |
| Freezing point (- m°C) |                   |       |                               |       |                    |

- 1) Submit your data to **SECRETARIAT@UILI.ORG** (Mrs. Melissa M. Fernández Valero, UILI Secretariat) **by August 31, 2016. No reports/resubmitting after due date are accepted.**
- 2) Round reporting values in 2 significant figures.
- 3) Reporting/resubmitting is requested to use this format "Result of Analysis for 11<sup>th</sup> UILI-ILP". **Reporting in different format is unacceptable. In the case non-UILI format is submitted, UILI will require resubmitting of the report.**
- 4) Report method No. for both "Pre-treatment" and "Measurement by Instrument" referring to table (A) and (B) of "APPENDIX" for Sample 1.
- 5) Participant selected pretreatment method "others" are requested to indicate detail of the method in column "notes" of the format.  
**No indication is unacceptable. In the case "others" were selected with no detail in column "notes", UILI will require resubmitting of the report.**
- 6) Pretreatment for Sample 1 are required in this test according to need.

# METHODS FOR PRE-TREATMENT AND INSTRUMENTAL MEASUREMENT

Ref : 11<sup>th</sup> UILI ILP 2016  
Version : 1.0  
Date : April 28, 2016  
Pag. : 2/2

## (A) Pre-treatment

| No. | Method            | Abbreviation |
|-----|-------------------|--------------|
| 1   | Non pre-treatment | NON          |
| 2   | Others            | Others       |

## (B) Measurement by Instrument

| No. | Instrument                              | Abbreviation |
|-----|---|--------------|
| 1   | Infrared Spectroscopy Fourier Transform | FTIR         |
| 2   | Differential Potentiometric             | DP           |
| 3   | Thermometry                             | T            |
| 4   | Others                                  | Others       |
